

WYCOMBE HOMELESS CONNECTION

Patron: Countess Howe

18th December 2023

Dear Alan

Thank you so much to you, the team and all the supporters of Jordans Picture House for your mammoth fundraising effort this Christmas. We are so grateful for your incredible gift of £1,893.58 which will support people who are homeless or in a housing crisis in south Buckinghamshire. Your gift is a vital part of our shared mission to end homelessness in our community.

This winter, we are offering **emergency accommodation** to help people who are extremely vulnerable and fall through the cracks of statutory support. Too many are at risk of being left on the street in the coldest months but your support ensures they can get somewhere to stay alongside compassion-filled, practical help including access to food, clothing, laundry, showers, conversation and, of course, hope and help to find a home.

Our **support centre** and **helpline** are open so people can receive tailored, expert advice and support that can help them keep their home, avoiding homelessness and the trauma it causes.

We're working with people already living in emergency or temporary accommodation who need to **find a safe and sustainable place to live**. Our 'move in and on' project, is there for those who have found suitable, affordable home but need help with rent-in-advance and deposit payments, to move in.

Your kindness and generosity makes all these things happen. Thank you.

Yours sincerely,

James Boulton
Chief Executive Officer
